

Technical drawing of a 2x5 grid of square tables. The drawing includes dimensions and assembly instructions.

Top Row Dimensions:

- Total width: 6500
- Spacing between tables: 1300 (5 intervals)
- Table width: 600
- Table height: 600

Bottom Row Dimensions:

- Total width: 6500
- Spacing between tables: 1300 (3 intervals)
- Table width: 800
- Table height: 800
- End spacing: 1950 (on both sides)

Assembly Instructions:

- "Entfällt bei bei vorne offen" (Omit when front is open) with an arrow pointing to the dashed table in the bottom row.
- Vertical spacing between rows: 2600 (total), with 1300 between the top and middle rows, and 1300 between the middle and bottom rows.

Technical drawing of a rectangular hall layout. The overall dimensions are 6500 (width) by 2600 (depth). The layout includes:

- Top Wall:** A horizontal line with a total length of 6500. It is divided into six segments of 1300 each by five vertical tick marks.
- Bottom Wall:** A horizontal line with a total length of 6500. It is divided into six segments of 1300 each by five vertical tick marks.
- Left Wall:** A vertical line with a total height of 2600. It is divided into two segments of 1300 each by one horizontal tick mark.
- Right Wall:** A vertical line with a total height of 2600. It is divided into two segments of 1300 each by one horizontal tick mark.
- Furniture:**
 - Top Row:** Five square tables, each 600x600, are placed along the top wall. The first and last squares are outlined in red.
 - Bottom Row:** Five square tables, each 800x800, are placed along the bottom wall. The first and last squares are outlined in red.
 - Center:** Five square tables, each 1300x1300, are placed in the center of the hall, aligned with the top and bottom rows.
- Dimensions:**
 - Top wall: 6500 (total), 1300 (segment).
 - Bottom wall: 6500 (total), 1300 (segment).
 - Left wall: 2600 (total), 1300 (segment).
 - Right wall: 2600 (total), 1300 (segment).
 - Top row squares: 600 (width), 600 (height).
 - Bottom row squares: 800 (width), 800 (height).
 - Center squares: 1300 (width), 1300 (height).

Technical drawing of a rectangular plate. The drawing shows a large rectangle with a smaller rectangle inside it. The dimensions are indicated by arrows and numbers: the overall height is 3000, and the width of the inner rectangle is 400.

[illegible]

Technical drawing of a rectangular table layout. The overall dimensions are 6500 (width) by 3170 (depth). The layout consists of six square tables, each 800x800, arranged in two rows of three. The tables are separated by 1300 units horizontally and 1585 units vertically. The drawing includes dimension lines and arrows indicating the measurements.

Technical drawing of a rectangular plate. The overall dimensions are 6900 (width) and 3570 (height). A smaller rectangle is shown inside, offset by 400 units from the top and left edges.
